DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5-7 and 9-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a control for an HVAC system comprising: at least one of said plurality of HVAC units being of the type that there are several available models and at least one of the characteristics of said one of the plurality of HVAC units is an *identification of the particular model* which has been incorporated into a system receiving said central control with *the particular model* being included in said particular set of combination of characteristics of the plurality of the HVAC units, said control selecting one of said plurality of control algorithms associated with the particular combination of characteristics of the plurality of HVAC units that report to the control. The prior art also does not disclose determining an optimal control strategy for said indoor unit and said outdoor unit based upon said reported characteristic information, said central control storing a plurality of optimal control strategies, and selecting a particular one of said optimal control strategies to utilize based upon the particular characteristic information reported from said indoor unit and said outdoor unit. The allowability, at least in part, resides on these facts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
